3. Speeches, POIs and Drafting

Use precise Council verbs: decides, authorizes, demands, calls upon, requests and establishes.

Ask which Charter provision supports the proposal, what evidence exists and how it will be implemented.

Know Articles 24, 25, 39, 41, 42 and 51; map P5 veto dynamics and elected-member coalitions.

4. Final Checklist

Know the Charter and your country interests. Prepare five caucus speeches, ten POIs, five rebuttals and eight operative clauses.

For sanctions define targets, purpose, monitoring, humanitarian safeguards, review and de-listing.

Join early, keep sources accessible and negotiate language rather than treating every clause as all-or-nothing.
