FQMUN PNA 2026

Pakistan National Assembly: personality research, parliamentary procedure, bills, coalition building and floor debate.

Section 5: Position Paper, Personality Profile, Constitutional Framework and Research

Harvard style: author-date research notes, verified primary sources and a reference list.

Article 25: equality. Articles 26-27: equal access and service safeguards. Article 37: social justice.

Prepare a bill with purpose, definitions, responsible authority, funding, enforcement and review.

FQMUN PNA 2026

Pakistan National Assembly: personality research, parliamentary procedure, bills, coalition building and floor debate.

Section 6: Opening Speech, GSL, Moderated Caucus and Rebuttals

Use hook -> evidence -> personality position -> action -> implementation -> close.

Prepare POIs on evidence, funding, constitutional authority, jurisdiction and measurable outcomes.

Build coalitions around clauses and amendments; attack proposals, never people.

FQMUN PNA 2026

Pakistan National Assembly: personality research, parliamentary procedure, bills, coalition building and floor debate.

Section 7: Parliamentary Procedure and Drafting

Follow the FQMUN Chair and official Rules of Procedure first: points, motions, caucuses, amendments and voting.

A bill should identify the legal problem, scope, responsible authority, funding, enforcement and review.

Prepare five operative clauses before conference and revise them through coalition negotiation.

FQMUN PNA 2026

Pakistan National Assembly: personality research, parliamentary procedure, bills, coalition building and floor debate.

Section 8: Position Paper Template

Header -> Introduction -> Personality Position -> Previous Action -> Legal Framework -> Solutions -> Conclusion -> References.

Use documented speeches, legislation, parliamentary records and official sources for the personality profile.

Use author-date notes and a complete Harvard-style reference list.

FQMUN PNA 2026

Pakistan National Assembly: personality research, parliamentary procedure, bills, coalition building and floor debate.

Section 9: Coalition and Award Strategy

Map three natural allies, three persuadable delegates and two likely opponents.

Track clause support, offer wording compromises and volunteer for useful drafting and procedural moments.

Awards reward sustained research, speaking, negotiation, drafting, procedure and diplomacy.

FQMUN PNA 2026

Pakistan National Assembly: personality research, parliamentary procedure, bills, coalition building and floor debate.

Section 10: POI Bank and Rebuttal Bank

Which constitutional provision supports this proposal? What is the funding mechanism? Which institution implements it?

What evidence supports the claim? How will the policy work across provinces? What measurable result is expected?

Short rebuttal formula: identify the gap -> answer it with evidence -> return to your solution.

FQMUN PNA 2026

Pakistan National Assembly: personality research, parliamentary procedure, bills, coalition building and floor debate.

Section 11: Final Delegate Checklist

Personality profile complete. Constitutional framework complete. Position paper complete. References verified.

GSL memorized. Five caucus speeches ready. Ten POIs. Five rebuttals. Five draft clauses. Coalition map.
